## Home Learning Pack - Nursery

Dear Parent(s)/Carer(s),

I hope that you and your child will enjoy this pack of resources to help with their learning at home. I will be providing ideas for activities linked to these resources through **Seesaw**, a copy of your child's individual code is included in this pack.

**Pencil control laminates, a whiteboard marker and rubber** are included to help develop your child's early writing skills. **Tracing paper** and **your child's name** have been provided for them to begin practicing writing their name, start by just trying the first letter of their name.

A '**Busy Book**' that your child can draw special pictures in and use for some of the activities I will be suggesting.

Sharing stories and playing games such as 'I Spy' and simple board or lotto games, jigsaws and play dough are all excellent for developing early literacy and mathematical skills.

### Online Resources

If you and your child have access to the internet there are many early years resources to support the development of communication skills and learning of letter sounds, numbers and shapes on the websites below.

<https://www.bbc.co.uk/tiny-happy-people>

<https://www.topmarks.co.uk>

<https://www.bbc.co.uk/cbeebies>

Our school website has additional ideas for online resources

<http://www.ysgolbrynpennant.com>

This pack also includes your child's personal **Hwb login card** with their username and password. You can use this to access further online resources at the Hwb website:

<https://hwb.gov.wales>

When you have logged in, go to the menu...

 Menu

Then click the Just2easy button...

This will give you access to fun and educational games, Jit5 is a great painting tool which your child has tried at school. Click on this button to open Jit5...

Kind regards  
Miss M. McAdam
