We have now launched our website and we are hoping that it will become another useful source of information for our families, staff and governors. Thank you to everyone who has visited the website so far and an extra big thank you to everyone who has left us some encouraging feedback. Each class has their own page and the staff are working to develop these. We also have a news page where you will find details of up and coming events. Thanks are due to Mr. Sutton for his hard work in creating the website.

Dinner Money

From Monday 16th November, Flintshire County Council are increasing the price of school meals for infants and juniors to £2.05 per day. Please remember that the County now require all dinners to be paid for in advance. Dinner money needs to be brought into school on Monday mornings please. Diolch.

School Council / Eco Council

The first meetings of our new School Council and Eco Council have been held this week. Congratulations to all the children who have been elected. Everyone in school wishes them a successful year in office! We are very grateful to last year's council members for the successful events which they organised. Thanks also go to Mrs Davies and to Miss Warburton for the support and guidance they give to our Councils.

Enterprise Club

Thanks go to Mrs Francis-Owen and the Year 4 children who have set up our new Enterprise Club. The portrait gallery has been a great success. The club has also received a donation from the local community and the children wish to thank the people of Mostyn for their generosity. Year 6 have now been invited to join the club, which is already going from strength to strength. Thank you to everyone for your fantastic support.
